A draft order is put up sanctioning three out of the four proposals made by Major Foulkes. The one reserved for orders is touched upon in para 4 of the draft. The Financial Dept suggests a negative answer to it; but I consider that in view of the case of Mysore garden quoted by Major Foulkes and the need for examining the scope of the words "furnished house" to which he is entitled, the point may be reserved for orders.

14. The financial department has no objection against the rest excepting the charge relating to crockery. It is said that furniture does not include crockery but no apt authority is cited. The meaning of furniture found in the Standard dictionaries is however, comprehensive enough to cover the articles of crockery as well. The papers of G. F: File 8-12 show also that crockery is taken as included in furniture. It is also to be remembered that Major Foulkes

In the case of private houses let out for rent, the prevailing practice is that the landlord should maintain the garden and employ a gardner to look after it. It is not known whether a similar practice may not be followed in the present case. At any rate, the landlord may be asked to meet the cost and the rent of the house correspondingly increased if when fixing the rent, it was not stipulated that the gardener should be paid by the landlord.

40	The only point requiring orders in this file is whether any allowance for gardening may be sanctioned for the West Bank at Bangalore occupied by Major Faulkner. Being a private building – rather a property owned by private individual, the landlord should make the necessary arrangement. It would be inexpedient for Govt. to sanction any allowance for a purpose of this kind. This should be deemed to have been included in the rent itself. If however, it becomes necessary hereafter to revise it on this account, Govt. may do so on a representation duly made to them. For the present it is enough to say that Govt. consider it inexpedient to sanction any allowance for gardening in the case of a building rented from a private individual for the residence of a public officer. 2nd Councillor 7/7 7/7/13

FROM

MAJOR T. H. FOULKES, I.M.S.,
Durbar Physician and Surgeon to
H. H. the Maharaja of Mysore.

To
The Secretary
General & Revenue Departments
Bangalore.

SIR,

With reference to our conversation on the 28th ult and the correspondence connected therewith, I have the honor to state that I received an estimate for the repairs of the house West Bank, kindly made out by the Executive Engineer Bangalore. This amounted to over Rs 2000. I found, however on going over the house with a contractor that some of the repairs noted were capable of being postponed or omitted, and I have eventually given the contractor orders to proceed with the work estimated at Rs 1000 and have already given him an advance. I have communicated with the land-lady and she is willing to have Rs 25 monthly deducted from the rent for a year thus making a contribution of Rs 300. I would ask if Govt would sanction payment of the remaining Rs 700. This however does not include electric fittings.

2. A sum of Rs 1500 has been mentioned in previous correspondence by the Dewan for furnishing the house.

3. It will be necessary to employ a watchman as the house will be un-occupied for a good part of the year

as the furniture, crockery, etc, will be Govt property.

4. I do not know if it ~~was~~ possible to make the Garden a Govt garden as is the case with my house in Mysore and as is done in the case of Private Secretary to His Highness. Of course the case is not quite in a line with the others as they are all Govt houses. I request that this should be done if it can. I understand that an allowance of Rs 48 monthly is proposed and awaiting sanction for my Mysore garden and suggest that a similar allowance, though somewhat less, should be made for the Bangalore garden.

4. To summarise, then I request that the sanction of Govt may be obtained for

1. Rs 1500, for furniture, glass crockery, etc.
2. An addition of Rs 59 monthly to the rent for 12 months from date of sanction for the necessary repairs
3. Rs 8 monthly for a watchman and an addition
4 allowance for the up-keep of the garden.

My dear Mr Govinda Rao

In reply to your D.O.letter No.9293/Med.3-12 dated the 22nd instant to the address of the Chief Engineer I write to inform you that two estimates were received in this office from the Superintending Engineer, Southern Circle, for laying out and maintaining gardens in the compound of the Durbar Surgeon's quarters at Mysore. They were returned to that officer for resubmission with certain information which was not furnished in the report.
